

Roanoke Fire-EMS

National Accredited Fire-EMS Department

Being a firefighter/EMT/EMT-I/Paramedic is both a challenging and rewarding career. The fundamental role of the firefighter-EMT is to protect the public from fire, illness and injury. Firefighter/EMT's enable the public to feel secure in the knowledge that a well-trained, properly equipped emergency response unit will arrive in a minimum amount of time to help whenever emergencies occur. Please feel free to visit our website at
